writer and director. The only incident of potential concern occurred at the conclusion of filming near George Washington University when a member of the radical unwashed made a tentative attempt to disrupt the shooting. George Washington security representatives were near at hand, though not needed and the crew was able to complete the scene and decamp with discreet haste. The first rushes (interior scenes shot at [REDACTED] have been reviewed and appear to be satisfactory. Editing and the final production phases are scheduled to begin 15 June when Mr. [REDACTED] completes another project. 25X1A6a 25X1A9a
